

## **George Court Annual Report for Nacton Parish Council May 2026**

I am pleased to report that we remain at full occupancy with no changes in residents in the past year.

We have however had some changes to the charities Trustees. Following his move out of the area Rob Giles has resigned and Tina Garrett has kindly joined us and Nick Bence-Jones has replaced his mother Gillian. Judith Wyndham and myself as Chairman remain in post.

Some small works have been carried out outside the bungalows in the last 12 months. A number of ridge tiles have been replaced on the roofs and two fences have been replaced one between bungalows number 1 and 2 and also one between 3 and 4.

It was noted at last year's AGM that the bungalows were not registered with the land registry. Work is ongoing to rectify this omission with the not in considerable forms completed and now in the hands of the Land Registry and we await confirmation that registration is complete.

Andrew Williams ( Chair of Trustees)
