

Action Plan 2026

- 1) Bulb planting across the village
- 2) Victoria Field - continue to install new fencing and replant hedging where required.
- 3) War Memorial – continue to replace damaged Marker Posts and Reflectors. Repoint brickwork and re-blacken lettering.
- 4) Paupers' Wood - continue to add wood chippings and possibly a seat. Consider installing an information board. Continue to replace cut down trees. Entrance kissing gate possible, sign and base repairs.
- 5) Poors Field - Consider bench in the corner, repair hedge between the field and the wood (block access gap in hedge – new entrance to be used).
- 6) Victoria Field – consider additional play equipment.
- 7) Speed Indicator Device – monitor and consider upgrading.
- 8) Working party to remove overgrown paths - paths to be maintained 1 day work.
- 9) Possible need for additional Litter Bin on The Street (location near chat bench)
