

Happy Christmas From Nacton Parish Council

It seems technology has decided to take matters into its own hands and resent the Winter Newsletter email while it was being updated – sincere apologies for the confusion! (Message from the Clerk!)

The intended email (this one) was to wish you all a very peaceful festive season from all of us at Nacton Parish Council.

Between now and the New Year, we're going to be busy working behind the scenes to set up our new website domain name. This upgrade is designed to provide visitors with greater confidence and reassurance that they're browsing a genuine website. Our new web address is scheduled to go live in the New Year, and we'll keep you updated once it's been thoroughly tested and is ready to launch. We'll give you the clerks new email address when it's up and running too.
